## Board Member Spotlight!

We want to introduce each of our board members so you can get to know us better! We will spotlight a board member each month.

### Meet Megan Snow

Megan is a Speech Language Pathologist (SLP) in the EI/ECSE program. She became involved in Union activities early in her career, so when she came to the ESD in 2018 and was invited by a colleague to attend NWEA, she enthusiastically started going to meetings and eventually became one of our Washington County VP's. Megan enjoys the company of her great husband, who is a Hospice Nurse, her 11 and a half year old child, and 2 dogs and a cat. One of her pets is 16 years old "old enough to drive". Megan is learning macramé, likes romantic comedies and mild suspense movies (Knives Out, Clue etc.), and learning about the mind, mindfulness, meditation, and other schools of thought.

**Want to get involved? You can be a building representative, join this year's bargaining team, and actively participate in your union! Reach out to a union board member to find out how. Suggestions or questions? Email your union**
